

Il dipartimento UNI GLOBAL WOMEN nell'ambito del sindacato mondiale del settore terziario UNI GLOBAL UNION, ha organizzato una campagna di denuncia a livello mondiale di 16 giorni contro la Violenza sulle donne e sugli uomini sui luoghi di lavoro "Breaking the Circle"

Questa campagna va in supporto al forte impegno di UNI WOMEN in ILO per ottenere una convenzione mondiale contro la violenza; Le convenzioni ILO sono universalmente recepite dagli stati.

Qui sotto il testo inglese dell'appello e i riferimenti social:

From 25 November, the **International Day for the Elimination of Violence against Women**, to 10 December, **Human Rights Day**, the **16 Days of Activism** against Gender-Based Violence is a time to join efforts and galvanize actions to end violence against women and girls around the world.

As part of the efforts the UNI Equal Opportunities Department is currently carrying out to support the adoption of an ILO Convention Against Violence Against Women and Men at the Workplace, our 16 Days of Activism and our Breaking the Circle! Campaign ([www. http://en.breakingthecircle.org](http://en.breakingthecircle.org)) will focus this year on 16 pledges to end gender-based violence at work.

16 pledges for 16 days. 16 commitments to help us build safe and equal working environments for all.
